NEW MEXICO GETS SECOND PLACE IN MEET AT TUCSON

University of Arizona Wins,
Amassing More Points Than
Its Three Competitors Com-
bined; Relay Exciting.

(SPECIAL DISPATCH TO MORNING JOURNAL)
Tucson, Ariz., May 6.—The University of Arizona today won the first southwestern field and track meet by scoring more points than its three competitors combined, the scoring being: Arizona, 84; University of New Mexico, 36; New Mexico College of Agriculture, 22; Texas College of Mines, 1.

The most exciting event of the card was the mile relay, in which the University of Arizona team lowered the state record to 3:36.2-5, the former record having been held by Tempe Normal school. A number of University of Arizona records were broken. The Texas College of Mines was represented by only a partial team.

IRRIGATION CONGRESS ASKED BY WILEY TO OPEN IN ALBUQUERQUE

(SPECIAL DISPATCH TO MORNING JOURNAL)
El Paso, May 6.—At a meeting of the governing board of the International Irrigation congress held here today in invitation was extended by Secretary R. W. Wiley, of the Albuquerque Commercial club, to the congress, to hold its opening session in Albuquerque for the discussion of drainage problems as a subject pertinent to the Rio Grande valley, the session to be opened at a later date, the dedication of the Elephant Butte dam in a special train of New Mexico boosters, and to proceed thence to El Paso for the opening of the irrigation and dry farming congress.

The proposition is to be considered and definite plans laid at a later date with a view to avoiding any possible conflict in dates between the state fair and the irrigation congress. The exposition and state fair are to work together in securing the best attractions, the dry farming products shown at the state fair to be sent to the dry farming exhibit at the congress.

Drank Sheep Dip.
Santa Fe, May 6.—Julio Blasarraga was brought to Santa Fe from Pecos today to undergo an operation made necessary by Blasarraga drinking sheep dip by accident in place of medicine. The dip burned the throat so horribly as to prevent the patient from eating solid food. An incision will be made in the stomach wall and a rubber tube inserted through which nourishment will be introduced in the form of predigested foods.

ARGUMENTS HEARD IN WOOD DISBARMENT CASE

(SPECIAL DISPATCH TO MORNING JOURNAL)
Santa Fe, May 6.—Arguments in the matter of the suspension of Attorney Francis E. Wood from practice in the Second judicial district were heard today before the supreme court on an application for an alternative writ of mandamus against Judge Herbert F. Reynolds to show cause why the order of suspension against Wood should not be set aside.

Judge Reynolds was represented by Attorney Francis C. Wiley and Reed Holman, and Mr. Wood by Judge E. R. Wright. Judge Wright declared the suspension "a flagrant abuse of judicial discretion." He asserted that no charge, rule, presentment or or-

A. B. C. PRINCIPAL'S TRIP EAST MAY BRING MOVIE COMPANY HERE

A motion picture production com-
pany may come to Albuquerque as the
result of W. J. McDonald's visit to
New York. Mr. McDonald, who is
principal of the Albuquerque Business
college, went there for the meeting
of the Eastern Commercial Teachers'
association.

In New York Mr. McDonald met
R. A. Rolfe, president of the Rolfe
Photoplay company. Mr. Rolfe knew
that the atmospheric condition of
Albuquerque was favorable to photo-
play production. He objected to
sending a company here, fearing that
great numbers of persons would not
be available if they were needed. Mr.
McDonald believes he could be in-
duced to send a company if this ob-
jection were overcome and if he can
be assured of co-operation. Mr. Mc-
Donald will lay the matter before the
Commercial club.

Mr. McDonald was the only com-
mercial teacher west of the Mississip-
pi to attend the convention. Nearly
500 persons were in attendance.

GILLASPY HERE IN INTEREST OF I. C. S.

R. G. Gillaspay, of Denver, assistant
division superintendent of the Inter-
national Correspondence schools, is
registered at the Hotel Combs. Mr.
Gillaspay has recently taken charge
of the state for the I. C. S. and during
his stay in the city will hold a display
of results achieved by the Scranton
schools.

Mr. Gillaspay emphatically denies
the report that the schools are in dis-
trict circumstances financially. "We
are bigger and stronger today," he
said, "than we have ever been before.
The financial difficulties of one of
the members of the firm are of a
purely personal nature and in no way
affect the standing of the schools."

During his stay in the city Mr. Gil-
laspay will be assisted by city repre-
sentative Ira C. Steed.

SON DEFENDANT IN ACTION BROUGHT BY MRS. PETRA GARCIA

Mother is arrayed against son in
the action begun yesterday by Mrs.
Petra G. Garcia against Juan A. Gar-
cia, her son, in the district court.
George S. Klock is counsel for Mrs.
Garcia.

Mrs. Garcia asks judgment for
\$5,000, alleging that Juan Garcia
agreed in a settlement between them
to pay off the incumbrance on the
Garcia building, Fifth and Central.
This he has not done, according to her
complaint. The incumbrance amount-
ed to \$5,000, it is said.

Dionicio Anaya yesterday was found
not guilty of larceny of a hide. Judge
H. F. Reynolds, of the district court,
directed the jury to return the ver-
dict of acquittal because of insuffi-
ciency of evidence against him. He
was represented by Judge W. C. Hea-
cock.

donal. Hartline will toss 'em over for
the railroad team.

Wins at Gallery Shooting.

Washington, May 6.—A. R. Sam-
mons, of Marion, O., tonight was an-
nounced winner of the individual gal-
lery shooting championship of the
United States contested under the
auspices of the National Rifle associa-
tion. He made a perfect score of 500,
shooting at seventy-five feet.

Hair Loss Due to Dandruff

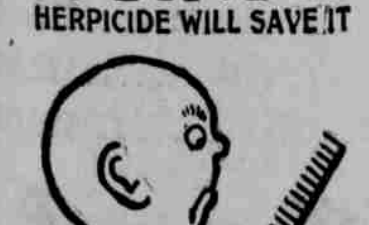

To Prevent the Hair From Falling Out and Fill It
Full of Life, Snap and Beauty, the Germ That
Causes Dandruff Must Be Destroyed

GOING!
HERPICIDE WILL SAVE IT

HERPICIDE WILL SAVE IT

GOING!!!
TOO LATE FOR HERPICIDE

That dandruff is of microbe origin and hence a highly con-
tagious disease is now pretty thoroughly established by science. If
the hair is dry, brittle, lifeless, or it may even be excessively oily,
look out for dandruff. In the final stages of the disease the scalp
is hot, feverish and itches and the hair comes out. This loss of
hair may be slight at first but should nevertheless be regarded with
the utmost apprehension.

Newbro's Herpicide

Checks—Dandruff—Accumulation

The first application will convince the most skeptical that
NEWBRO'S HERPICIDE is the best remedy for the scalp that can
be found. Many other preparations claim to be like Herpicide, but
why not get the original and genuine. It costs no more and you
are sure of results. The freedom of the scalp from dandruff and
the increased life, luster and luxuriance of the hair will testify to
the merits of NEWBRO'S HERPICIDE. Begin the use of Herpi-
cide now and see how quickly your friends will notice and remark
upon the improved appearance of your hair. Nothing will improve
one's looks more or do it more quickly than intelligent use of this
time tried scalp prophylactic—NEWBRO'S HERPICIDE. The odor
is exquisite and it stops itching of the scalp almost instantly.
